**Item 4.01. Changes in Registrant’s Certifying Accountant**

On April 12, 2017, the Audit Committee of our Board of Directors approved the engagement of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending November 30, 2017. This approval followed the determination by the Audit Committee of our parent, Leucadia National Corporation, to engage Deloitte as its independent registered public accounting firm for the audit of its consolidated financial statements for its fiscal year ending December 31, 2017. In connection with its selection of Deloitte, on April 12, 2017, our Audit Committee determined that the engagement of PricewaterhouseCoopers LLP (“PwC”) would cease effective April 12, 2017. Prior to our 2013 combination with Leucadia National Corporation, Deloitte had been our independent auditor.

The reports of PwC on our consolidated financial statements for the fiscal years ended November 30, 2015 and 2016 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended November 30, 2015 and 2016 and the subsequent interim period through April 12, 2017, there were: (1) no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to PwC’s satisfaction, would have caused PwC to make reference thereto in their reports on the consolidated financial statements for such fiscal years and (2) no “reportable events,” as defined in Item 304(a)(1)(v) of Regulation S-K.

We have provided PwC with a copy of this report and have requested PwC to provide a letter addressed to the Securities and Exchange Commission indicating whether it agrees with our disclosures made in accordance with Item 304(a) of Regulation S-K. A copy of such letter dated April 13, 2017 is filed as Exhibit 16 to this Form 8-K.

We did not consult with Deloitte during our two most recent fiscal years or through the date of this report regarding either (1) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on our consolidated financial statements, and neither a written report was provided to us or oral advice was provided that Deloitte concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (2) any matter that was either the subject of a disagreement or reportable event as defined in Item 304(a)(1)(iv) and (v) of Regulation S-K.
