## Section 1: 425 (425)

Filed by Jefferies Financial Group Inc.  
Pursuant to Rule 425 under the Securities Act of 1933, as amended  
Subject Company: HomeFed Corporation  
(Commission File No. 001-10153)

On February 19, 2019, Jefferies Financial Group Inc. (“Jefferies”) issued the following press release with respect to a proposal regarding an acquisition of HomeFed Corporation (“HomeFed”):

JEFFERIES FINANCIAL GROUP INC.  
ANNOUNCES PROPOSAL TO ACQUIRE BALANCE OF HOMEFED

New York, New York, February 19, 2019 — Jefferies Financial Group Inc. (NYSE: JEF or Jefferies), which currently owns 70.1% of HomeFed Corporation (OTCMKTS: HOFD or HomeFed), a developer and owner of residential and mixed-use real estate properties primarily in California and New York, announced today that it is proposing to acquire the remaining common stock of HomeFed not already owned by Jefferies (the “Proposed Transaction”). The Proposed Transaction would entail Jefferies issuing two shares of Jefferies common stock for each share of the HomeFed’s common stock to be acquired by Jefferies. Jefferies’ proposal will include a condition that the Proposed Transaction will require the approval of a majority of the outstanding shares of the HomeFed’s Common Stock not already owned by Jefferies (or its affiliates), in addition to any other vote required by applicable law.

The Proposed Transaction would involve the issuance of approximately 9.25 million shares of Jefferies common stock, worth approximately \$194.0 million at Friday’s closing share price. Upon completion of the proposed transaction, Jefferies’ total post-transaction carrying value of HomeFed’s net assets would be approximately \$651.0 million, reflecting a pre-tax gain of approximately \$119 million that would result from revaluing our 70.1% historical ownership interest when Jefferies consolidates HomeFed.

Rich Handler and Brian Friedman, CEO and President, respectively, of Jefferies, said “We generally would not issue shares at these prices, but we would do so here to facilitate a strategic transaction that might otherwise not be achievable. As a direct offset to those potentially issued shares, Jefferies’ Board of Directors has, conditioned on the closing of the Proposed Transaction, authorized the repurchase of 9.25 million shares in the open market. This share-repurchase approval is incremental to the \$500 million share repurchase recently approved by Jefferies’ Board of Directors. We believe this proposed transaction makes good sense for both Jefferies and HomeFed, as it will allow Jefferies to consolidate HomeFed for tax purposes (which will avoid an extra layer of taxes as HomeFed monetizes its assets), affording greater flexibility as to the timing and form of maximizing value over time.”
